**Abstract:**  
 Map shows data of deaths, affected population, and damaged houses provided by the Provincial and National Disaster Management Authorities (PDMA and NDMA). This information has been summarized and is displayed at a provincial level.

**Disclaimers:**  
 The designations employed and the presentation of material on this map do not imply the expression of any opinion whatsoever on the part of the Secretariat of the United Nations concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries.

**Important Note:**  
 Dotted line represents approximately the Line of Control in Jammu and Kashmir agreed upon by India and Pakistan. The final status of Jammu and Kashmir has not yet been agreed upon by the parties.
